

Striping Legend:

- Existing Striping
- 114 Existing Parking Spaces
- 5 Handicap symbols
- 3 Handicap access Aisles
- 1 Loading Zone Crosshatching
- Proposed Additions**
- Area 1 add 13 Compact spaces
- This Drive is currently 30' wide. We could add approx 13 parallel spaces and reduce drive to 22.5' The 10 spaces south of drive would have to be converted Compact Spaces to allow for proper back up distance.
- Area 2 add 3 spaces
- In front of roll up door we could add spaces and label them as reserved or loading as then they would be in the overall count
- Area 3 add 1 space
- Same as 2 above
- Area 4 add 2 spaces
- In loading dock area add 2 parallel spaces behind gate
- Area 5 add 1 spaces
- Along curb Island we could add 1 Parallel space
- Area 6 add 5 spaces
- In gravel / paved area under sign by removing curb to allow cars to enter and exit we would add 5 spaces
- Area 7 Blackout 11 regular spaces and relayout 12 compact car spaces at 8.25' for an additional 1 spaces
- Area 8 Blackout 10 regular spaces and relayout 11 compact car spaces at 8.18' for additional 1 space
